walkers ran in Weatherford. 12 Hemi families also attended the race and Miss Abby Apitzsch (Right Hemi, 2001) finished the 5K course for the second year in a row!

New this year was a campaign, headed by Roxanne Cogil and Lisa Koesterer, to increase the 2011 Virtual Runner entries from 75 individuals to 500 Virtual Runners. Virtual Runners register to "sleep in and get the t-shirt." Seven families joined in the fun and organized "virtual runner" walk/runs where they live. The largest virutal team will have a 2011 college scholarship named after their team. The Dreams on Wings ended up with 630 Virtual Runners and 65 VR Hemi Teams - well above our goal! See more about our largest team winner and pictures local walk/runs that were organized by Hemi families below.

The Dreams on Wings 5K is the largest fundraiser for the Hemispherectomy Foundation. Over \$30,000 was raised and the proceeds from the race go toward financial aid, college and camp scholarships, research support, therapy and life aids.

http://disneyland.disney.go.com/hotels/paradise-pier-hotel/

The 2011 Conference promises to be a well-balanced mix of informative speakers, educational topics, and information geared specifically for families who have been impacted by Hemispherectomy Brain Surgery. In a relaxed, family atmosphere, among other families just like yours, you will be able to learn from others who have walked in your shoes. You will hear from doctors, experts, and scientists who are leaders in the fields that impact your child. Most importantly, you will meet new friends and see old friends who will walk the journey with you.

Make this trip part of a family summer vacation, or come exclusively for the event, but don't miss it. This is also a great chance to schedule appointments at nearby hospitals where your child may have had surgery. Before or after the conference is an ideal time to schedule those yearly follow-up appointments. You may even see your favorite doctor at the conference.

Everyone is invited. It doesn't matter whether you are from the East Coast, West Coast, somewhere in-between, or on the other side of the world, we want you in California in July. The Hemispherectomy Foundation Team is putting together an affordable package so that everyone can make it. And as always, The Hemispherectomy Foundation will be offering some financial aid for those who want to come, but just can't fit it into their budget without a little help.

So Register Now, by printing off <u>The Registration Form</u>, filing it out, and mailing it in. Also, don't forget to make your hotel reservations. They go fast in the Disney Resorts, and The Hemi Foundation Block of Rooms will also fill fast.

You can begin making hotel reservations at the Paradise Pier Hotel now. Please use This Reservations Link and it will take you directly to The Hemi Foundation block of rooms - room rate \$129 per night plus
