**The 2012 Hemispherectomy Foundation
International Conference and Family Reunion**

**July 6th, and 7th, 2012
at**

**The BWI DoubleTree Hilton Hotel
in Baltimore, Maryland**

You don't want to miss this year's conference and family reunion. We have an outstanding group of speakers from Johns Hopkins, Kennedy Krieger, UAB, and a chance for YOU to ask the doctors questions in the Doctor's Panel.

The 2012 Conference will be a good time for the kids and adults alike. Kids Camp will be available, so parents can enjoy the speakers without having to attend to the younger ones.

The conference will be a well-balanced mix of informative speakers, educational topics, and information geared specifically for families who have been impacted by Hemispherectomy Brain Surgery.

In a relaxed, family atmosphere, among other families just like yours, you will be able to learn from others who have walked in your shoes.

You will hear from doctors, experts, and scientists who are leaders in the fields that impact your child. Most importantly, you will meet new friends and see old friends who will walk the journey with you.

Make this trip part of a family summer vacation, or come exclusively for the event, but don't miss it. This is also a great chance to schedule appointments at nearby Johns Hopkins, where your child may have had surgery.

Everyone is invited. It doesn't matter whether you are from the East Coast, West Coast, somewhere in-between, or on the other side of the world, we want you in Baltimore in July. The Hemispherectomy Foundation Team is putting together an affordable package so that everyone can make it.

Please register for the conference by printing off [The Registration Form](#), filling it out, and mailing it in.

The Hotel Hemi Foundation Rate is no longer available. You will have to pay full price if rooms are available.
