Dear Hemi Foundation Supporter,

December 31st is only a day away, and The Hemispherectomy Foundation will close another successful year of helping children and families who are impacted by radical brain surgery.

Thank You for being a part of that in 2012.

As the year comes to a close, many of you are considering where to make your year-end **charitable contributions**. On behalf of the children that we support, I ask that you consider The Hemispherectomy Foundation this year.

It is a GREAT time of year to get that **end-of-year tax deduction**. You benefit, and so do the children that we support. Here are some even better reasons.

How did The Hemispherectomy Foundation use your 2012 donations?

- Funded **Medical Research**
- Sent Hospital **Hemi Hug Care Packages** worldwide to kids facing Hemispherectomy brain surgery
- Provided **Financial Aid Hardship Grants** and **Financial Travel Aid Grants** to families.
- Awarded **College Scholarships** and **Camp Scholarships**.
- Created a **Research Fund** to support research into targeting hemi-related epilepsy and rehab.
- Hosted the **2012 International Hemi Conference & Family Retreat** and multiple **regional events**.

2013 is just around the corner, and we desperately need **YOUR** help again to continue these valuable programs. Please consider these children in your end-of-year Holiday Giving. Just a small donation will make a difference in a child's life.

It is also a GREAT time of year to get that **end-of-year tax deduction**. You benefit, and so do the children that we

Our Mission

To Encourage and Support impacted families by connecting them with other families who have had a hemispherectomy or similar surgery.

To Work together with medical professionals to fund research into the cause of the diseases that lead to intractable epilepsy, hemispherectomy, and the surgery itself.

To Raise Money for camp fees, scholarships for trade schools and higher education as well as provide financial relief for struggling families

support. Everyone wins!

Here's how your gift can make a difference to a child today and in 2013 :

- \$10 - \$25 will pay the postage to send one child a Hospital **Hemi Hug care package**.
- \$50 will pay for **100 Brochures** to send to new families, neurologists, neurosurgeons, and other doctors.
- \$100 - \$500 will send a child to the **Summer Camp** of their choice.
- \$1,000 will fund one **College or Trade School Scholarship** or help **fund Research**.
- \$1,000 plus will help fund various ongoing **Medical Research** projects that benefit families impacted by Hemispherectomy Brain Surgery.

Thank You !

Kristi Hall
