approved by the officers.***

**The foundation is also dedicated  
to hemispherectomy education,  
awareness, fundraising and  
research of the medical  
conditions that lead to surgery  
and the surgery itself.**

Here are some of the benefits that you can expect from this year's conference.

- Meet other families who have children like yours and make life-long connections.
- Listen to expert doctors and speakers on topics that are applicable to you, your family, and your children.
- Learn from the older kids and families.
- See your children's art work on display.
- Swimming Party.
- Talent Show.
- Sibling Workshops.
- Children's activities.
