Make this trip part of a family summer vacation, or come exclusively for the event, but don't miss it. This is also a great chance to schedule appointments at nearby hospitals where your child may have had surgery. Before or after the conference is an ideal time to schedule those yearly follow-up appointments. You may even see your favorite doctor at the conference.

Everyone is invited. It doesn't matter whether you are from the East Coast, West Coast, somewhere in-between, or on the other side of the world, we want you in California in July. The Hemispherectomy Foundation Team is putting together an affordable package so that everyone can make it. And as always, The Hemispherectomy Foundation will be offering some financial aid for those who want to come, but just can't fit it into their budget without a little help.

Please register for the conference by printing off [The Registration Form](#), filing it out, and mailing it in.

The Hotel is almost full, so please make your reservations now at the Paradise Pier Hotel, otherwise you may need to stay offsite and miss some of the impromptu fun that happens every year.
